

October 30th 2002

Dear UYOA Contender

Welcome to Rusper Golf Club and the 5th annual UYOA open. Apologies for the early start, however at this time of year I need to ensure that we all get round in daylight.

The accompanying pages should inform you of all tee off times for yourself and all Contenders. Also enclosed is your official UYOA 2002 Bag Tag which should be sported on your bag at all times today.

For the 9 hole Texas scramble in the morning we will be playing the front nine holes only. The first tee is situated beyond the veranda over to the left as you stand with your back to the clubhouse facing the course.

In the afternoon we will tee off again from the 1st Tee – please arrive at your tees in plenty of time.

The 5th hole will be played as a Par 5. Please also note that a couple of the holes on the back nine are being renovated and reshaped so there is some ground under repair – and the 10th (which is likely to be off a mat) still remains a par 4 for everyone – so this is a good hole to score on!

All cards should be signed by the marker and player and handed into myself at the end of each round. If you are unsure how to score please just fill in your strokes and I'll do the rest.

Trophies will be awarded at the end of the day for :

- Winning Team (Texas Scramble)
- Nearest the Pin (4th afternoon only)
- Longest Drive (16th afternoon only)
- UYOA Champion (afternoon score only)

And of course. . .

- UYOA DUFFER (Last Position – afternoon only)

I hope you have a great day.

Best regards

Rolf
President

3. All teams start scoring from their starting score.
4. No further strokes/points are available – all teams therefore play to the par of the course.
5. All other course/club rules apply.

Exceptions

- The team must use at least 2 of every players drives – with one remaining to be used by whoever.
- If player A's drive is used, then Player A's second shot cannot be used, same applies to 3rd, 4th, 5th shot etc....
