

## UYOA TOUR PLAYERS: ROLFY

### SWOOSH

Known only as Rolfy, until his name is changed officially to Tiger, this man is the living proof of branding. Forget lessons, forget practise if you look the part you'll play the part! Unfortunately for Rolfy this is not always the case, especially on the narrow courses on the Tour. However overall his game is solid in most areas with occasional blips on the first tee and consistency sometimes escapes Rolfy's game. Has to use a trolley all the time because he has the largest golf bag in the world.

Specialist shot is his unique stance on a tee. Favourite club is his new Nike driver.

If Rolfy wins this tour you'll never hear the end of it!

Rolfy comes to the Tour (surprisingly) with the best average. Nerves, consistency are needed to take home this title.
