

November 1st, 2000

Dear UYOA Contender

Welcome to the 3rd annual UYOA open. Apologies for the early start, however at this time of year we need to ensure that we all get round in daylight.

We hope you enjoy the day, and of course the famous UYOA goodie bag.

The accompanying page should inform you of all tee off times for yourself and all Contenders.

You will notice that your Handicaps may be slightly different to normal – this is to take into account the short Par of the course – if any of you feel that your Handicap is still incorrect please see Rolf or myself.

For the 9 hole Texas scramble in the morning we will be playing the back nine holes. The tenth tee is situated over to the left as you stand with your back to the clubhouse facing the course.

In the afternoon you will tee off from the 1st Tee which is off to the right as you stand with your back to the clubhouse facing the course – please arrive at your tees in plenty of time.

Please also note that the 7th, 8th and 9th holes are across the road from the entrance to the golf club.

All cards should be signed by the marker and player and handed into Rolf or myself at the end of each round. If you are unsure how to score please just fill in your strokes and we'll do the rest.

Trophies will be awarded at the end of the day for :

- Winning Team (Texas Scramble)
- First, Second and Third (Stableford)
- Nearest the Pin (17th afternoon only)
- Longest Drive (12th afternoon only)

And of course. . .

- Last Position

We hope you have a great day.

Best regards

Jim

Tim Willis	26
Starting Score	-9

8.36am

Player	Handicap
Chris Williams	18
Darren Sparks	26
Dan Shelton-Smith	26
Starting Score	-9

Rules

1. Play as a team playing effectively always the best ball.
2. All players then subsequently move their balls to the position of the chosen best ball, and take their next shot from there – this also includes putting.
3. All teams start scoring from their starting score.
4. No further strokes/points are available – all teams therefore play to the par of the course.
5. All other course/club rules apply.

Exceptions

- The team must use at least 2 of every players drives – with one remaining to be used by whoever.
- If player A's drive is used, then Player A's second shot cannot be used, same applies to 3rd, 4th, 5th shot etc....

Jim & Rolf

Afternoon 18 Hole Stableford (commencing from the 1st Tee)

12.15pm

Player	Handicap
Jim Browne	20

Rules

- On your score card you will note your adjusted Par for each hole
- Each player scores compared to their adjusted Par
- Scores are as follows :
 - Eagle : 4 Points
 - Birdie : 3 Points
 - Par : 2 Points
 - Bogey : 1 Point
 - D Bogey : 0 Points
 - Etc...
- The player at the end of 18 holes with the most points wins.
- All other course/club rules apply.
